

May the road  
rise up to meet you.  
May the wind be ever at your back.  
May the sun shine warm upon your face,  
and rains fall soft upon your fields,  
and until we meet again,  
may God hold you  
in the palm of His hand.

*How could anyone ever tell you you were anything less than beautiful*

*How could anyone ever tell you you were less than whole*

*How could anyone fail to notice that your loving is a miracle*

*How deeply you're connected to my soul*
